Noah Obeyed God
Genesis 6-9

This is the story of a man named Noah. Back in Noah's time, people did bad things and forgot about God. Except Noah - Noah loved God.

God was sad that everyone, but Noah, forgot about Him. He told Noah about His plan to start over. God told Noah to build a big boat, called an ark, and prepare for a big flood that would cover the entire earth. He told Noah exactly how to build the ark, and Noah and his family began working.

When it was done, God said, "Take your family and two of every animal into the ark". Noah made sure he had enough food for his family and the animals for a very long time.

After everyone was inside, the rain began to fall. It rained for 40 days and 40 nights.

Finally, the rain stopped, and Noah sent out a dove. The dove couldn't find any place to go so it came back to the ark. Noah waited a week and then sent the dove out again. This time, the dove came back with an olive leaf which meant the waters had gone down. Finally, Noah waited a while and sent the dove out again.

This time it didn't return. When the earth had dried up enough, God told Noah that everyone could get out of the boat. That probably was a very happy day!

God made a promise to Noah that He would never bring a flood to kill all living creatures and destroy the whole earth again. He gave a sign for everyone to see this promise. He put a rainbow in the sky and it is a reminder of the promise God made to Noah, the animals, and us today!

Let us pray: Dear Lord, we are thankful that You are faithful to keep Your promises. Help us to be faithful in keeping ours. Amen.

Family Reflection: Talk about rainbows and whenever you see a rainbow say a little prayer and thank God that He loves us and that He keeps His promises.

Keep on GOING because God knows the end of the STORY.

Most great things take time.

And without determination, we'll never see them realized. As a parent, you might need to be determined to teach values like determination. Rarely will a child pick up on what's important on the first try, and even if they embrace it early, it's easy to get discouraged and follow a different course down the road.

This isn't just true in instilling determination in your child—it's true of virtually everything that's important.

All of this to simply say: Don't get discouraged if you didn't succeed this week, or this month. So next week, next month, and next year, chip away at determination and encourage your family to do the same.

Down the road, the payoff stands to be significant.
